

Dear Sir/ Madam,

Invitation for a Technical Visit of Recycling Fund

The remaining concrete can also be given a second life, for example, by being prefabricated into concrete guardrail kerbs, concrete retaining wall or solar panel ballast block guide walls, etc. With the support of the "Enterprise Support Programme" (ESP) under the Recycling Fund, "Huan Yu Environmental Limited" has recruited additional staff and purchase additional equipment to recycle waste concrete from construction sites and concrete batching plants. This not only enhances resource utilization but also promotes the sustainable development of the construction industry.

The Hong Kong Productivity Council (HKPC) as the Secretariat of the Recycling Fund will arrange a technical visit to "Huan Yu Environmental Limited" to introduce the collection of waste concrete and their production process. To facilitate mingling and communicate among in the recycling industry in Hong Kong, your company/ organisation is welcome to participate in this visit.
